3. **Intended use:**
Mortar for rendering and plastering for general purpose GP CS IV W0, for interior plastering.
4. **Evaluation system:**
4
5. **Declared performances:**

Essential characteristics	Performance	Harmonised technical specification
Reaction to fire	A1 Class	EN 998-1:2018
Water absorption	W0	
Diffusion coefficient of water vapor	PND	
Thermal conductivity: (λ_{10} , Dry)	PND	
Adhesion	$\geq 0,2$ N/mm ² Shape of rupture A/B	
Durability	PND	
Hazardous substances	See safety datasheet	

The performances of the product identified in point 1 is in conformity with the declared performances in point 5. This declaration of performances is issued under the sole responsibility of the manufacturer identified in point 2, in accordance with Regulation (EU) No 305/2011.
